THE JEFFRIES CAMPAIGN GAINS MOMENTUM

“I am highly encouraged by the support I am receiving for my upbeat State Senate campaign. It’s heartening to see folks respond to my love for serving others and ability to build bridges rooted in respect, kindness and authenticity.” – Timothy Jeffries

SCOTTSDALE, ARIZONA, August 6, 2018– The Timothy Jeffries for Senate campaign continues to gain momentum as the summer outreach to Republicans gains traction and an expanded outreach to Independents resonates in Arizona Legislative District 23. To that end, the Jeffries campaign humbly and heartily welcomes the recent public endorsements of the Center for Arizona Policy (CAP) Action and their intrepid conservative leader, Cathi Herrod, and two notable gentlemen Independents in Arizona.

“Join me in supporting Timothy Jeffries for State Senate. Tim will stand up and fight for foundational principles on issues of life, parents’ rights, and religious freedom.”

– Cathi Herrod, Esq., President, Center for Arizona Policy Action.

“Years of misrule by special-interest sock puppets at the Capitol are depriving Arizona of the extraordinary future that lies within in our grasp. Time and again, Tim Jeffries has exhibited the independence and courage that non-partisan voters are seeking in our political leaders. He has the energy and integrity to make positive change.”

– James Strock, Independent, author *Disrupt Politics*

“I am not a Republican...I am a registered Independent who supports Tim Jeffries for State Senate. We don’t agree on all the issues, but I respect Tim and his genuine love and compassion for people, along with his dedication for public service. Tim is someone who listens more than he talks and who will work tirelessly for the people he represents. I don’t believe that civility should be a thing of the past, but if that becomes our new reality we’ll never achieve true greatness. Because at the end of the day we’re all in this together. And I’m in this with Tim.”

– Doug Moss, Independent, former President of the Arizona Coyotes
