JEFFRIES DEMONSTRATES TRUE CONSERVATIVE COMMITMENT TO ARIZONA GOP

“It is imperative Arizona remain a Red State this November for all Arizonans from all walks of life and our great country during this pivotal time in America’s history.” – Timothy Jeffries

SCOTTSDALE, ARIZONA, August 10, 2018– The Arizona Republican Party announced the first signatories of #AZGOPUnity on Wednesday, August 8, 2018. The statewide initiative is designed to encourage and ensure all Republicans come together after the August 28th Primary and support what will be a strong slate of federal, statewide and legislative district candidates in Arizona.

“I applaud AZ GOP Chairman Jonathan Lines and his terrific team for launching this statewide initiative. I fully support the Arizona Republican Party’s efforts to ensure we come together as a united conservative party after the August 28th Primary. I also applaud Ms. Kristina Kelly in Arizona Legislative District 23 for promptly signing the #AZGOPUnity pledge. I hope Rep. Michelle Ugenti-Rita will momentarily table her political ambitions and animosities to sign the #AZGOPUnity pledge too. Regardless, it is imperative Arizona remain a Red State this November for all Arizonans from all walks of life and our great country during this pivotal time in America’s history.”

– Timothy Jeffries, State Senate Candidate, Business Owner and Philanthropist

The Timothy Jeffries for Senate campaign is in full 24x7 motion as 100+ days of issues-focused outreach to conservative Republican voters builds support and outreach to conservative Independent voters resonates in Legislative District 23. With 18 days left in the Arizona Primary, the Jeffries campaign fundraising and volunteer engagement remain very high and heartening. To that end, the Jeffries campaign looks forward to the public release of the next round of Arizona Secretary of State (SOS) financial reports and the significant financial strength the Jeffries financial report will display.
