## TIMOTHY JEFFRIES REBUKES REP. UGENTI-RITA AND LAUNCHES JEFFRIESFACTS.COM

*“History shows Rep. Ugenti-Rita has an unethical pattern of deceit and lies to advance her personal aims and whims. Her apparent craving for power, office and career appear to be insatiable. LD 23 and Arizona deserve much better.” – Timothy Jeffries*

SCOTTSDALE, ARIZONA, August 16, 2018– The Timothy Jeffries for State Senate campaign issued a strong statement of condemnation against Rep. Michelle Ugenti-Rita for willfully utilizing deceit and libel to smear and defame Timothy Jeffries during the final days of the Senate race in Arizona LD 23.

While Jeffries considers next moves, including potential legal action, the Jeffries Campaign launched [www.JeffriesFacts.com](http://www.JeffriesFacts.com). The truth-telling website calls out, counters and debunks the lies that Rep. Ugenti-Rita and her campaign have needlessly and unjustly introduced into the race for the open State Senate seat. JeffriesFacts.com is synergistic with [TimothyJeffriesForAZ.com](http://www.TimothyJeffriesForAZ.com). However, the new website focuses largely on Jeffries’ successful 21 months as DES Director. For example, the website includes numerous LinkedIn recommendations and video testimonials from current and former DES colleagues.

With 12 days left to campaign, the Team Jeffries will soon report enough cash on hand to carry their message through the General Election when Jeffries prevails in the Republican Primary on August 28<sup>th</sup>.

Jeffries remains focused on the major issues e.g. Border Security, Public Safety, Life & Family, Education, Job Creation and Government Reform. The Jeffries Campaign website ([www.TJ4AZ.com](http://www.TJ4AZ.com)) and numerous direct mailers to tens of thousands of Republicans and Independents in LD 23 continue to detail specific legislation and initiatives Jeffries will pursue when elected.

Jeffries is an accomplished global business executive, successful small business owner, values-based charity volunteer, and former member of the senior cabinet of Governor Doug Ducey. Jeffries is currently the sole owner and Executive Chairman of ChemResearch Company, Inc. (dba CRC Surface Technologies), a national leader in metal finishing and integrated services for the aerospace and defense industry, a vital market segment in our Arizona economy. Jeffries also serves numerous other organizations, primarily charitable ventures.
