## JEFFRIES CAMPAIGN FUNDRAISING AND CASH ON HAND ROCKET PAST OPPONENTS

*"I am immensely grateful for my generous donors and beloved family for investing in my conservative campaign for honorable representation, good government and bold reform in our great State of Arizona." – Timothy Jeffries*

SCOTTSDALE, ARIZONA, August 22, 2018– The Timothy Jeffries for State Senate Campaign reported raising \$178.3k as of August 11<sup>th</sup>, less than four months after Jeffries declared his issues-focused candidacy for the open State Senate seat in Legislative District 23. The Jeffries Campaign also reported approx. \$69k cash on hand for the balance of the Republican Primary with the General Election in sight.

In stark contrast, Representative Michelle Ugenti-Rita reported raising ONLY \$69.8k for ALL of 2018 with approx. \$30k cash on hand due largely to her campaign committee transfers. Ms. Kristina Kelly reported raising an impressive \$67.3k in a mere four months with approx. \$14.6k cash on hand. As a result, it appears all three candidates possess suitable resources to finish the Republican Primary on August 28<sup>th</sup> yet it appears only Jeffries has the financial resources to decisively pivot to the General Election.

In response to Rep. Ugenti-Rita's recent attempts to smear and defame Timothy Jeffries and his efforts to reform the broken and calcified Arizona Department of Economic Security (DES), the Jeffries

Campaign recently launched [www.JeffriesFacts.com](http://www.JeffriesFacts.com). The truth-telling website calls out, counters and debunks the lies and deceit that Rep. Ugenti-Rita shamelessly introduced into the State Senate campaign in a desperate attempt to deflect conversation and analysis of her 8 years of liberal votes and related faux conservatism. JeffriesFacts.com focuses largely on Jeffries' consequential 21 months as DES Director. It includes numerous DES-focused LinkedIn recommendations and video testimonials from current and former DES colleagues regarding Jeffries' values-based, results-driven service as "Director J."

Jeffries is an accomplished global business executive, successful small business owner, values-based charity volunteer, and former member of the senior cabinet of Governor Doug Ducey. Jeffries is currently the sole owner and Executive Chairman of ChemResearch Company, Inc. (dba CRC Surface Technologies), a national leader in metal finishing and integrated services for the aerospace and defense industry, a vital market segment in our Arizona economy. Jeffries also serves numerous other boards of directors and organizations, primarily charitable ventures.
